Before downloading and using the GeneBody dataset, please agree to the following terms of use. You, your employer and your affiliations are referred to as “User”. The authors and their affiliations, Shanghai AI Lab are referred to as “Producer”.

1. The GeneBody is available for non-commercial research purposes only.
2. All the source videos in GeneBody dataset collected by the Producer are bounded by a formal agreement with all the actors. All the videos and images in GeneBody dataset can be used for academic purposes. However, the Producer is NOT responsible for any further use in a defamatory, pornographic or any other unlawful manner, or violation of any applicable regulations or laws.
3. The User agree not to **reproduce, duplicate, copy, sell, trade, resell** or **exploit** for any commercial purposes, any portion of the images and any portion of derived data.
4. The User agree *not to* further **copy, publish** or **distribute** any portion of the GeneBody to any third party for any purpose.
5. The User can provide his/her research associates and colleagues with access to GeneBody dataset (the download link or the dataset itself) provided that he/she agrees to be bound by these terms of use and guarantees that his/her research associates and colleagues agree to be bound by these terms of use.
6. This agreement is effective for any potential User of the GeneBody dataset upon the date that the User first accesses the GeneBody dataset in any form.
7. The Producer reserves the right to terminate User’s access to the GeneBody at any time.
